**Strengthening works to Carriageway edge – Castle Lane**

Dear Sir or Madam

We are writing to inform you of upcoming works to strengthen the carriageway edge on Castle Lane. The works involve the excavation of the carriageway edge and its reinstatement with a stone filled gabion basket wall. The verge and fencing will be reinstated following the works.

The repairs are programmed to start on 13<sup>th</sup> February 2017 for a period of 2 weeks. The road will be closed for the duration of the works, with a signed diversion route in place.

If you need to discuss the works further, feel free to contact me (details above), and we would be happy to meet with you on site. When the work starts, you will be able to speak directly with the construction team, who will keep you updated with progress on the works, in order to minimise any disruption to you.

We would like to take this opportunity to thank you in advance for your co-operation and hope the long-term benefits will outweigh any short-term delays.

Yours faithfully

Adam Gamble
