Parish Lift.

A helping hand in the community.

HelpLine: 01452 835675

We all share cars regularly with our friends and family without even thinking about it but there may be times when a driver has empty seats.

Parish Lift is a new online car sharing service available to local parish communities across Gloucestershire. Residents register their trip and we find a match for people heading in the same direction, at similar times, on a particular day; whether as a driver or a passenger. Head over to the site:

parish.liftshare.com

There are four very simple stages involved in meeting new and old friends.

share; just pick them
up on the way!

Why Parish Lift?

Parish Lift enables organised car sharing by helping connect people within and across small villages and hamlets, who may be travelling in the same direction at a similar time. It is a community scheme tailored to the needs of parish residents and to support local communities.

Where is Parish Lift necessary?

Parish Lift is a vital service open to local residents living in rural and isolated areas across Gloucestershire where transport options are limited. It is crucial for maintaining and improving accessibility and social inclusivity and helping a wide range of people to get from A to B; for getting to work, leisure facilities or maybe to do some grocery shopping.

What are the benefits of Parish Lift?

Parish Lift is an opportunity to lend a helping hand to fellow citizens, share experiences and bring people together. It is a key lifeline across areas where there are few alternative travel options available to meet everyday needs. Meet new people, save time, save money and most importantly, help make a contribution to the well being of your community.

Who can use Parish Lift?

Parish Lift has been designed to help neighbours connect with other neighbours in their local and neighbouring villages or hamlets, to help arrange short, shared journeys. This could be to onward public transport connections or perhaps to travel as a group right to your destination... and make new friends along the way! You have to be over 18 to register.

Have you considered using Community Transport or taxi services in your area to make necessary trips?

When can I get onboard with Parish Lift?

You can begin entering your request for a lift or providing support to somebody as soon as you register onto the scheme. Once completed, you can find a match then enjoy the rides! Find more tips and advice online.
